Issue 4 – Term 4 – Week 8

Monday 28 November 2011

PRINCIPAL'S MESSAGE

These past few weeks have been quite exciting as we have welcomed Year 6 students into our school life. It is all part of our orientation program and our Year 6 to 7 transition evening was very successful.

It is also with both a sense of excitement and sadness that I inform you that Mr Hawkins (Science) will not be with us next year. He has just been appointed (by merit interview process) to the position of Head Teacher Science at Byron Bay High School. It is a wonderful opportunity for Stephen but we are sad to be losing such a talented and hard working teacher.

Also at the Illawarra VET Regional Awards for 2011, Warilla High School was very successful. These awards are nominated by Employers based on effort and application during Work Placement and Warilla High School students won 3 of the 14 Awards. Our Semester Gold Award Assembly is to be held on 2/12/2011 and we look forward to acknowledging the hard work of many of our excellent students.

Our recent analysis of this year's NAPLAN results indicate some strong successes. Numeracy was a strength this year and there was strong growth by many of our Indigenous students. We do need to focus on spelling and grammar which were not as strong as previously and we will be presenting a full analysis of the schools performance at a P & C meeting in 2012.

So read on everyone and enjoy the successful achievements at Warilla High School.

Cheers & best wishes
Glenn Isemonger

WARILLA HIGH – 2ND OVERALL IN AUSTRALIA IN THE ILFORD SCHOOLS PHOTOGRAPHIC COMPETITION

Cameron McFarlane from Year 12 was the Term 3 Winner in the Australia-wide Ilford Schools Photography Competition with a wonderful photo titled "In The Tube" (which he is holding in the photo) that he shot with his water camera (a Canon 7D in an underwater housing) of a friend surfing at Cowries at Shellharbour.

Cameron has worked hard in his part-time job while studying for his HSC and he has spent a lot of his earnings on camera gear so that he can chase his dream of being a surf photographer. It has certainly worked in this shot, and out of all the photographs submitted into the competition Cameron impressed the judges to win the Term 3 Best Photograph for Years 11 and 12 Digital Photography section of the competition. Cameron was awarded a special winner's trophy (pictured) and a cheque for \$75.00 for his win.

Over the year, this competition attracts thousands of entries from all over Australia and is the biggest Schools Photography Competition in Australia. The competition is open to every school in Australia and has sections for Primary Schools, Year 7 & 8, Year 9 & 10 and for Year 11 & 12. All divisions are hotly contested and with the overall competition running over 3 school terms. All competitors look for the unusual angle, the greatest sports shot or the close-up photo that might catch the judges eye.

Cameron's contribution helped Warilla High School finish the year in second place overall in Australia which was an outstanding effort.

Another 3 students from Warilla High School were awarded Certificates of Merit in the Term 3 Competition. Eleanor Burden and Connor Selby from Year 10 and Elizabeth Sherwood from Year 11.

Warilla High's effort has been a real team effort this year with 38 Photography students from Years 9, 10 & 11 Photography Classes submitting photographs for the Ilford Competition. Warilla High Schools' 2nd Overall

prize was \$300.00 worth of Ilford product, which will help students on their way with another great entry for 2012.
